

Enrollment Process 2026

Family Tours: Parents (and prospective students if desired) are welcome to schedule tours of our facility most Mondays and Wednesdays beginning in October. A member of our administrative team will escort you through the building and answer your questions personally. You are welcome to visit classrooms as desired.

Application: Link available by request beginning in January. A non-refundable fee of \$150 for the first student, plus \$50 for each additional student, is required. This amount includes your placement testing and interview fees.

Shadow Day: Families may schedule a shadow day for their student(s) in the winter or spring, subject to availability. Shadow days are an opportunity for prospective students to visit our classrooms and experience “a day in the life” at Heritage and/or Heritage High, along with their (potential) future classmates. Shadow days for rising 1st-12th graders are drop-off only, as it is important for our staff to be able to observe shadow students’ interactions with other adults and peers without a parent present. Kindergarten shadow students must be accompanied by a parent for the duration of their visit. Prospective high school students may shadow for half or full days.

Placement Testing and Family Interview: After we receive your application, we will contact you with the sign-up link for testing and interview appointments. Testing will take place throughout the spring and summer. At the time of your appointment, we will administer reading, writing, and math placement tests to each of your students. We will also meet with you, the parents, to get to know your family, answer your questions about our program, and ensure a mutually beneficial fit. High School students will be asked to complete a writing sample, provide a list of books read, and all previous high school courses taken.

Registration: After your testing and interview appointment, we will reach out (typically within 3 business days) to provide feedback on your child’s placement and let you know if we’re able to extend an invitation to enroll. We will then email you an enrollment link; your enrollment packet will take about 20 minutes to complete online. The registration fee is \$200 per student, or \$350 maximum per family.

Tuition: Please see our Schedule of Fees for this year’s tuition rates. Tuition payments will begin in September and are paid via FACTS Management’s system.

Additional Fees: A required activities fee of \$35 per student and an insurance fee of \$35 per family will be added to your total tuition amount. *See Schedule of Fees sheet.

Note: Curriculum and school supplies are not included in these fees, but must be purchased separately by parents before the school year begins. In addition, we ask for an annual donation of specified **communal supplies**, such as office and cleaning products, paper and plasticware, etc.
