

## Schedule of Fees 2026

**Application Fee** (New families/students only): \$150 for first student, \$50 for each additional student (includes placement testing and family interview)

**Enrollment Fee:** \$200 per student (\$350 max per family). Part-time families (enrolling in less than four classes total): \$50 per class.

### K-8 Tuition

Kindergarten: \$1,980 flat fee

#### Grades 1-8

Core Classes (ELA, history/geography, science, one semester each of art/music): \$520

Primary Math Classes (Math 1-5): \$520

Middle School Math Classes (Math 6-Algebra I): \$570 *(These courses include T/Th online classes as well as in-person instruction on M/W.)*

Single-Semester Elective: \$135

All-Year Elective: \$270

(Second semester electives will be added to your FACTS tuition account once you make your selection in December.)

Total tuition for a student taking middle school math, all four core classes, and Monday/Wednesday electives all year (highest possible tuition amount): **\$3,190** for 480 hours of instruction (\$6.50/hour)

### High School Tuition

Our Board of Directors is working to finalize our 2026-27 tuition fees as soon as possible. For frame of reference, tuition for our Algebra I class will be \$570 this year. Other high school classes should be offered at a similar rate.

**Activities Fee:** \$35 per student (includes all-school events such as Ice Cream Social, Spirit Day prizes, Donuts for Dads, field day, etc.)

**Insurance Fee:** \$35 per family

**Multi-Student Discount:** \$150 per second additional student, \$200 per third/fourth additional student (Discount applies to full time students only. Full time students [grades 1-8] are defined as those enrolled in all four core classes minimally. All kindergarten students are considered full-time as well.)

Note: Curriculum and school supplies are not included in these fees, but must be purchased separately by parents before the school year begins. In addition, we ask for an annual donation of specified communal supplies, such as office and cleaning products, paper and plasticware, etc.
